The Radiological Society of North America is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. The Radiological Society of North America designates that the activities listed below meet the criteria for Category 1 and Category 2 Credit for the American Medical Association Physician's Recognition Award on an hour-for-hour basis. This record confirms that the individual designated attended the scientific assembly and participated in the listed activities. Attendance at specific activities of the scientific assembly should not be construed as training that would constitute competency in the subject matter.

This report is the computer accumulation of vouchers submitted at the scientific assembly and is provided as a help in record keeping. It may not reflect the total hours of attendance if vouchers have not been appropriately used. If that is the case, it is the responsibility of the individual to correct his/her own records in accordance with the honor system which is customarily observed in reporting continuing medical education credit hours. This record of attendance is available only to the designated individual and will not be supplied to accrediting agencies and other organizations. The individual is charged with the responsibility of maintaining his/her own record of accumulated hours.
